I LOVE THE SUNSHINE OF SOUTHERN CALIFORNIA

We have all types of geography here in Southern California. We have mountains, beaches, forests, and deserts.

DRAWING STRENGTH FROM DIVERSITY

UC Riverside is a land-grant university with a great opportunity for you to pursue a picture of a successful college life. You have a diverse campus with people from different backgrounds. I have close friends with an Asian classroom, with my African friend, and work with my German halls. UC Riverside offers a diverse environment to keep your mind open and broaden with different cultures.

I AM A RISING GIRL AT HEART

UC Riverside gives me plenty of good opportunities to fulfill your passions. My husband is a biochemistry major. We have a happy family with people from different backgrounds. I have close friends with an Asian classroom, with my African friend, and work with my German halls. UC Riverside offers a diverse environment to keep your mind open and broaden with different cultures.

POSITION YOURSELF FOR SUCCESS

Studying at UC Riverside opened the path to a future of many more possibilities. As a student director at the University, I am also involved in different campus activities and through my business student professional club.

IT IS IMPORTANT TO HAVE A DIVERSE BACKGROUND.

At UC, you get a campus full of great opportunities. And most importantly, UC Riverside is the platform for you to excel. It truly caters to your needs, provides you with leadership opportunities, and helps you break out of your comfort zone; and my life became much more exciting here. I was involved in several student organizations to make friends. They helped me to build my confidence, provide me with leadership opportunities. My University, my friends, and my life became much more exciting here.

E لوحي الشمع

I chose UC Riverside for three main reasons. First, it offers one of the best Undergraduate Business Programs in the state. Plus, the UC system represents more than 700,000 students, 82,000 faculty and staff. Lastly, I was able to experience the culture of UC Riverside, help to current students and faculty, and consult with advisors on my future plans.

I came to UC Riverside after hearing about the university’s reputation for academics, research, and international outlook.

I received information on tuition and fees at registrar.ucr.edu.

The International Student Resource Center is designed to provide international students with the support they need to succeed at UC Riverside. We provide a range of services to help students adjust to life in the United States and succeed academically.

The center offers a variety of resources and programs to support international students, including academic advising, cultural and social events, and opportunities to build connections with other students. We also provide assistance with immigration, housing, and other matters that may be important to international students.

The International Student Resource Center is a valuable resource for students who come from different countries and cultures. It is where I come to study and learn about the college, and also to connect with other students who share my background. The center is a place where I feel welcome and supported, and I am grateful for the opportunities it provides.
