CHICANO/LATINO STUDENT EXPERIENCE
DEAR FUTURE HIGHLANDERS,

A couple of decades ago, I was where you are today. Deciding where to go to college can feel daunting, especially if you’re the first in your family to go. That was my experience, but I had the ganas and the love and support of family, teachers and mentors to encourage me. Now I encourage you to make the decision to come to UCR!

Why UCR? For me, it was important to go to a place where I saw others like me and I could find a sense of familia. UCR offers this, plus many programs and opportunities to help you thrive intellectually and academically.

My colleagues and I are nationally and internationally recognized for our cutting-edge research and creative work. We celebrate and are committed to our diversity. Most importantly, we are committed to our students and their success. UCR is more than an institution. We are a comunidad.

Milagros Peña,
Dean of the College of Humanities, Arts, and Social Sciences

“What I love and admire about UCR is the people.”
To be a Chicano student at UCR is like being at home. I don’t feel like I left my family, because at UCR, everyone is kind and welcoming. I love it! UCR may not be the biggest campus, but it’s one of the most diverse universities in the UC system. They offer many great programs, and fun and exciting events throughout the year. I chose UCR over all my other options because of their willingness to assist me in accomplishing my academic goals. When you visit UCR, stop by the Chicano Student Programs office! Everyone would love to meet you and greet you as a new prospective student here at UCR!
“As the first UC campus to receive the HSI designation, UC Riverside has been at the forefront in seeing the diversity of California reflected in our population.”

CHANCELLOR KIM WILCOX
We are proud to be the first UC to be named a Hispanic-Serving Institution (HSI) way back in 2008! Today, more than 40 percent of UCR students identify as Chicano/Latino.

My success is the result of the *platicas* (talks) and *echar la mano* (mentorship) that I received from women-of-color scholars and UC programs. I’m grateful for that support and believe in practicing *echando la mano* and *platicar* to assist UCR students in their journeys today. UCR professors are known not only for their cutting-edge research, but also for being exceptional mentors. If this is your first time away from home, your family or your comfort zone—*no sufres en silencio*. Don’t be afraid to ask for help. We are here to help you succeed.

WE CARE ABOUT YOUR DREAMS, NOT YOUR WALLET.

Every student, regardless of income, who dreams big and works hard should be able to graduate from the greatest public university system in the world. That’s why we will do everything we can to help you pay for school.

Apply for financial aid no matter what.

Complete a FAFSA at fafsa.ed.gov and a GPA form at csac.ca.gov to apply for the most aid. If you are an undocumented student, complete a CA Dream Act application at dream.csac.ca.gov and a GPA form at csac.ca.gov to apply for the most aid.

It costs less than you think.

About 70 percent of UCR undergrads have their tuition and fees fully covered by grants and scholarships, and about 86 percent of UCR undergrads get financial aid. Visit go.ucr.edu/estimate to estimate the aid that you may be eligible for at UCR.

Tuition & Fees: $13,917-15,675
Out-of-State: $43,689
Room & Board: $6,100-17,000

We’re #1 in the nation for Pell Grant performance.

That means that we admit students who meet our high standards, but aren’t necessarily wealthy. Nearly half of UCR undergrads qualify as low-income, and we enroll more low-income students than all of the Ivy League institutions combined.

UCR is a good investment.

Within five years of graduating, Pell Grant recipients typically earn more than their families. UCR students graduate with a salary potential in the top 7 percent of 568 leading public universities.

Funded by a National Council of the Arts grant in 1975, Chano Gonzalez created this mural for Chicano Student Programs (CSP) to represent the history of Raza students. When CSP relocated, the UCR community protested to save the mural. They were successful, and today, the remaining 10 original panels live at CSP.
