### Innovative Research

**Get the Competitive Edge with Undergraduate Research**

UCR offers research opportunities to all undergraduate students! This advantage catapults you to the “top of the list” for jobs and/or graduate school. Current CHASS research includes:

- Exploring the “double coming-out” experience for queer-undocumented immigrants
- Examining eye gazing patterns in children who face anxiety
- Awakening the “sleeping” language of a Native American tribe — thanks to a $150,000 grant from the National Science Foundation (NSF)

### High-Profile Companies Hire CHASS Graduates

CHASS graduates go on to write international best-selling novels, create Thai royal music, receive honors as dance professors and choreographers, mentor youths, and so much more!

Success Programs

CHASS F1RST: First-Year Experience Programs FR
(Mandatory for freshman students)
CHASS F1RST’s Learning Communities guarantee courses and credit. Enrollment is automatic depending on your major.

Fall Transitions
(Fall quarter program for all majors, except Undeclared and Pre-Business)
Enjoy major-specific learning communities to help you succeed at UCR. Gain access to highly desirable, large-lecture courses, such as Psychology, Economics, Art and more. Discuss material in small groups.

CHASS Connect
(A yearlong program for all majors, except Undeclared and Pre-Business)
Boost academic success and social enrichment in this national award-winning program. This themed learning community provides students with an interdisciplinary education by examining a theme through different disciplines. Engage with faculty, teaching assistants and peer educators.

Pre-Business PATH
(A yearlong program for Pre-Business majors)
Get to know other business-oriented classmates. Develop the necessary skills and networks to be successful in business. Take part in a two-unit workshop taught by peer educators.

Exploratory Scholars
(For Undeclared majors)
Explore a variety of disciplines with courses in Psychology, Media & Cultural Studies, Anthropology, Ethnic Studies and Sociology. Includes a two-unit student success workshop led by an academic advisor and peer educators. Build time management and identify a major of interest. Learn about career options and find out what requirements are needed for graduation.

CHASS Undeclared Program FR
Work with an academic advisor to declare a major. This two-year program allows you explore courses within CHASS’ 55+ majors. Majors are declared once 90 units are achieved.

Undergraduate Research

Putting Research in Your Hands
Explore an extraordinary range of research opportunities from labs and performances, to translations and economic policy. Each CHASS department will help you find the right fit for your academic and professional goals!

Transfers F1RST Program TR
(For incoming transfer students)
Learn about essential resources for academic/professional goals. Connect with transfer mentors and attend Transfers F1RST workshops.

HASS 001 Workshop: Step-by-Step to College Success TR
(For incoming transfer students)
Take a two-unit fall lecture course taught by faculty. Discussion sections led by peer mentors (current transfer students). Topics are specific to the needs of transfer students, including:

• Third- and fourth-year academic plans
• Student success skills (critical thinking, study, writing and communication)
• Undergraduate research opportunities
• Internships and study abroad opportunities
• How becoming a campus leader applies to real life
• Graduate school preparation
• Career-planning resources and services

HASS 001 = A HIGHER GPA
Transfer students who took HASS 001 had significantly higher GPAs during their first year than those who did not. (CHASS Study of Cohorts, 2014–15)
