## Innovative Research

### Get the Competitive Edge with Undergraduate Research

UCR is one of a few universities to offer research opportunities to all undergrads! This advantage catapults you to the “top of the list” for jobs and/or graduate school. Current GSOE research includes:

- Maximizing educational outcomes for traditionally marginalized communities
- Exploring the family context of youth with developmental disabilities or autism
- Creating new ways to teach academic words to those with “below grade level” reading skills – thanks to \$1.4 million grant from the Institute of Education Sciences!

### High-Profile Companies Hire GSOE Graduates

GSOE graduates go on to become classroom teachers, administrators, legal and medical specialists and nationally recognized experts in autism and learning disability research.

## WORLD-CLASS FACULTY

Includes 3 Spencer and 2 Ford Fellows, as well as renowned experts in autism and learning disability research.

## 3 GSOE Concentrations

Choose a concentration for your major:

- Community Leadership, Policy, and Social Justice
- Learning and Behavioral Studies
- Student-Designed Comparative

# #3
