Graduate School of Education (GSOE)

Get the Competitive Edge with Undergraduate Research

UCR offers research opportunities to all undergraduate students! This advantage catapults you to the “top of the list” for jobs and/or graduate school. Current GSOE research includes:

- Maximizing educational outcomes for traditionally marginalized communities
- Exploring the family context of youth with developmental disabilities or autism
- Creating new ways to teach academic words to those with “below grade level” reading skills — thanks to $1.4 million grant from the Institute of Education Sciences!

Earning Potential with a GSOE Bachelor’s Degree

Based on national averages. Higher earning potential with advanced degrees. (PayScale, 2017–2018 College Salary Report)
