Graduate School of Education (GSOE)

Get the Competitive Edge with Undergraduate Research
UCR is one of a few universities to offer research opportunities to all undergrads! This advantage catapults you to the “top of the list” for jobs and/or graduate school. Current GSOE research includes:

• Maximizing educational outcomes for traditionally marginalized communities
• Exploring the family context of youth with developmental disabilities or autism
• Creating new ways to teach academic words to those with “below grade level” reading skills – thanks to $1.4 million grant from the Institute of Education Sciences!

Innovative Research

Inspire the next generation.
Make meaningful connections (Teacher). Develop policies to solve pressing education challenges (Public Policy Analyst). Boost team performance with cutting-edge strategies (Corporate Trainer). And so much more. GSOE’s Undergraduate Program – taught by world-renowned faculty – will help you inspire the next generation!
