Beautiful Scenery and People
California holds so much diversity, not only within our cultures, but in our environment. You can drive in any direction and find yourself near water, in the middle of a desert or in a national forest. It truly is a beautiful reflection of everything California has to offer, and its beautiful people who inhabit it.

Home Away From Home
UC Riverside has given me a home away from home and is making each of my dreams a reality. Coming from a single parent home, UCR gave me the opportunity to afford a University of California education. My father attended a Spanish-speaking seminar, which provided information to help me succeed.

Dreams Come True
I never imagined myself in the United States, let alone at an institution of such prestige. My life has led me on an incredible journey. I learned a new language, culture and mindset. I grew as an individual, more than I could have believed possible.

Never An Outsider
Every day at UC Riverside, I am exposed to so many different backgrounds and cultures. It reminds me that my background does not limit me, nor does it make me feel alone. UC Riverside creates a feeling of comfort and welcome for all of its students. It makes me so proud to know I am not only representing my family but my country as well, and that UCR is also proud to host me.
